“ When I met Aunt Helen she immediately took me under her wing and made me feel so loved and welcomed to the family. I'm forever going to have her tucked close to my heart. I love you Aunt Helen, you rest now.

“ I first met Mr.and Mrs. Tillery when they bought a storage building from me when they lived on Elliott Drive. Since then I've done odd jobs for Mrs. Tillery and I got to be friends with them.I was saddened to read of her passing. I can honestly say that I have never met a lady as sweet and caring as Mrs.Tillery. I really liked her alot. There is NO DOUBT that she has gone HOME. It was an honor to have known her.

“ I'm was very sad to hear of Mrs. Tillery passing away. She was always a beautiful youthful soul no matter her age. She was a big part of my daughters middle school years as my Kristina and LaShae were inseparable during that time. She was a very special lady in every way.Her talent with creativity was amazing just as much as she was truly a lady in every way. She will be missed so much by her family(blood and others).

“ Helen was a good co-worker and a great cook. She was a true friend to all who knew her, with a forgiving heart, a true example of a Christian. Ron Radke

“ Aunt Helen was one of the most kind, gentle, loving, caring, generous, easygoing, supportive, family dedicated, inspirational, talented, determined, motherly, sympathetic, empathetic, honest, outgoing, sweetest, proudest and most loved person that anyone could have ever met and known. Aunt Helen was my "other mother". She taught me so much while I was growing up and even after I became an adult. I will never forget the Summer's and weekends I spent at her and Uncle Larry's home. Along with Debra and Darlene we would always be doing something fun and educational. I am very proud to have had Aunt Helen in my life for more than 53 years. Aunt Helen even named me when I was born and called me her son many times.

I will miss you Aunt Helen so very much and I will never forget you not will I ever stop Loving you for as long as I live. Thank you for being there for me when I needed a best friend to talk to and help me out with problems that arose from time to time.

I Love You Aunt Helen and will miss you until we meet again in Heaven with Deddy and our other Loved ones that have passed on before us. Till we meet again on the streets if good, it's not good-bye it's see you later.

With Loving Memories Jackie Lamar Conner
